Who we are?

We are UAE's most preferred cold chain solution providers since 2012. We offer complete cold chain solutions including dry ice, gel ice, packaging and despatch with temperature control for our esteemed clients. We started our operations at Hamriya Free Zone, Sharjah and now operate from Ajman Industrial I.

We have a strong team with over a decade of experience in providing bespoke cold chain solutions and temperature control packaging. We are the right expert to cater all your requirements and have reliable sources to ensure quality materials. With Freezpak as your cold chain partner, rest assured of the temperature.

Why choose us?

- ✓ Robust Service
- ✓ Expert Support Team
- ✓ Well-Experienced
- ✓ Precision
- ✓ Shortest Turnaround Time
- ✓ Reliability
- ✓ Scalability
- ✓ Bespoke Solution
- ✓ High Quality
- ✓ Complete Cold Chain Solutions Under One Roof

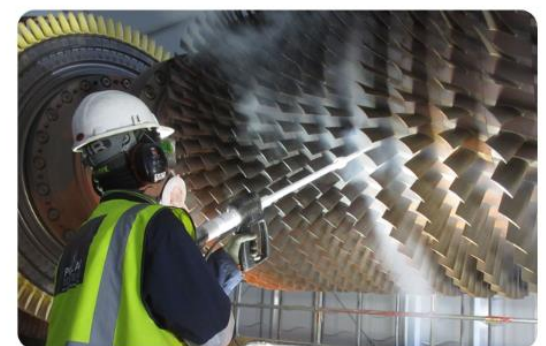

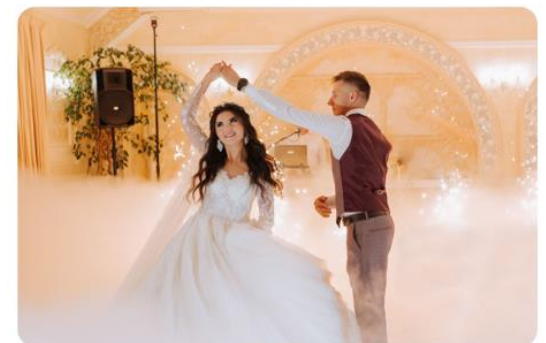

What we do?

We offer complete and quality cold chain solutions under one roof. We have a growing product range of dry ice, gel ice and temperature control packaging solutions. We believe that innovation is key to existence and hence offer bespoke solutions to our clients' requirements. We are experts in providing cold chain solutions and hence assure utmost quality using the latest technologies in the industry.

Industry We Serve

Perishable Exports, Medicines & Laboratories, Restaurants & Cafe, Event Management, Catering Companies

Packaging with temperature lock

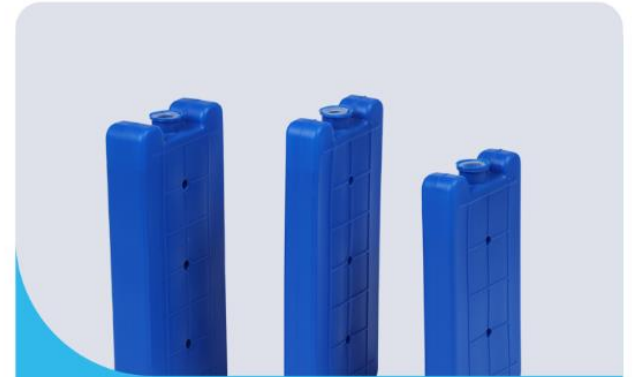

Freezpak offers complete packaging solutions for in-land and export of frozen food, seafood, pharmaceutical products and other perishable goods with precision temperature lock. Our packaging solutions are tested and proven to ensure your product's quality and integrity. We can also provide data/temperature logging system to keep track of the product temperature during transit.
